*Opportunities to protect our most
vulnerable from a lifetime of nicotine
addiction.***

Presented by the MATCH Coalition

Please join us for an informational forum on tobacco prevention and control in 2017. We will be exploring what Connecticut has done in tobacco cessation and prevention and important opportunities to advance the health of our state in this ever changing landscape of tobacco products.

When: January 23, 2017 at 10 a.m.

Where: The Legislative Office Building
Hartford, CT
Room 1C

Please RSVP to Jill Barry by Thursday 1/19:
